

Calling all.....Farmers

Property Management Planning

Limited Funded places available

This training is funded by the Department of Education and Training

Here's an opportunity for you to set up your own Farm Plan - *Map out what you want your farm to look like in 5, 10, 20 or more years and learn how you can make it a reality and gain a Nationally recognised qualification at the same time.*

Computerised mapping software will be provided and used during the training so you can easily update your property map as required.

National Units covered

- *Develop a whole farm plan*
- *Develop and implement sustainable land use strategies*
- *Develop climate risk management strategies*
- *Maintain and monitor environmental work practices*

Cost: \$3,630.00
 Less: DET Funding \$3,267.00
Your contribution: \$ 363.00 per farm business

This training includes up to 6 training sessions/workshops, manuals and computerised mapping software.
