

# Workshops

## Forecasting Australian livestock to 2025

Northern Tablelands Local Land Services invites cattle and sheep producers to a **FREE** workshop with market analyst Simon Quilty. Australia is experiencing record livestock prices - how sustainable is this? Simon will discuss what is likely to unfold through to 2025.

### Monday March 22

Tenterfield Golf Club 6:30pm

### Tuesday March 23

Guyra Bowling Club 8:15am

Glen Innes Showground (tea rooms) 6:30pm

### Wednesday March 24

Inverell Golf Club starting 8:15am

### Thursday March 25

Uralla Bowling Club 8:15am

Walcha Vet Supplies 3:00pm

## Speaker and topics

As Simon builds the picture for livestock through to 2025, he will discuss:

- Flock & herd numbers
- Resurgence of ASF in China
- Global demand and supply factors
- The effect & lessons learnt from Covid 19
- Emergence of a commodity super cycle

RSVP by Friday 12 March 2021 to:
