

1080/Pindone course

Are you wanting to control your pest animal population this year

This will assist you by having another control tool to use against, Feral Pigs, Wild Dogs, Foxes and Rabbits.

In the lead up to peak pest activity, get on the front foot with your pest control by obtaining or updating your 1080/pindone chemical card.

PLEASE NOTE this does **not** cover you for normal chemical use and is only for 1080 or pindone products.

The following dates there will be a **FREE, FACE TO FACE** 1080/pindone course
