# BUSH FOR BIRDS

## ARE WE CLOSING THE GAP?

Are we 'closing the gaps' in habitat? So we, our kids and grandkids can continue to experience the wonder of our native fauna?

Join us to find out:

- why habitat gaps occur
- what plantings provide viable habitat for our *declining* woodland birds
- which are the indicator birds
- how local graziers are restoring landscapes for woodland birds
- what the experts think.

3.00 - 7.30 pm Saturday 25th November 2017 @ Harriet Gully, Kelly's Plains.  
BBQ from 6 pm. Children encouraged.

Members & children under 12 FREE, Non-members \$10.

Registrations essential for catering  
by 5pm 23rd November at  
[stickytickets.com.au/59752](http://stickytickets.com.au/59752).

More information & memberships at [www.snelandcare.org.au](http://www.snelandcare.org.au)  
Enquiries: [mail@snelandcare.org.au](mailto:mail@snelandcare.org.au) or 6772 9123.

This is the first of three experiential field days under our "Closing the Gap" project. This Project has been assisted by the New South Wales Government through its Environmental Trust. This field event is also supported by the NSW Government's Local Landcare Coordinator Initiative, supported through the partnership of Local Land Services and Landcare NSW.
