

North West Emerging Leaders 2022

A personal development program building your leadership capacity in the community, your business or in government

Are you interested in accessing some of the best leadership thinking and practice available, acquiring practical leadership tools and skills?

Would you like to develop understanding and knowledge about leading change in your community or business?

Are you looking for strong networks with like-minded people and an opportunity to work on a project that you are passionate about?

Register now

to be part of this program that will show you the skills, traits and qualities important for a leader to become:

Aware

Get clarity of your personal leadership style and purpose.

Apply self-awareness work to build effective relationships and partnerships.

Understand why we do what we do and how we change.

Capable

Get practical leadership and management tools including:

TEAMWORK - How leaders manage teams.

CONFLICT - Do real leaders negotiate?

CHANGE - How leaders manage change for themselves and for teams.

Connected

Bring your ideas into the real world through the Action Project Workshops.

Join an alumni of like-minded people.

Understand the value of critical conversations.

PROGRAM

Developed by **Tamworth Regional Landcare Association** the program is led by renowned facilitator **Dr Simon Burgess**, University of New England lecturer in Management (Business Ethics, Professional Ethics, and Corporate Social Responsibility) along with co-facilitators from local community groups, businesses and government with extensive experience and practice in their own leadership roles.

The 2022 North West Emerging Leaders program will run over **14 weeks** with a two week break over the NSW school holiday period. Participants will join a weekly Friday Webinar from 12pm to 1pm and three Action Project Workshops held in Tamworth from 10am to 3pm.
