

Wanted:

TREES on

SMALL FARMS

Native vegetation provides significant benefits for domestic livestock, native wildlife and ecosystem health... even on small farms.

Southern New England Landcare has funding for peri-urban landholders in the Armidale, Guyra, Uralla and Walcha areas to plan and undertake revegetation projects that suit their individual needs.

Small properties <200 hectares are eligible and up to a total of 50% of the total project costs is available. In kind contributions from successful applicants is expected.

Prospective applicants are invited to attend a planning workshop on Saturday 9th September 2017 (TBC).

Register at www.stickytickets.com.au/57067

Applications will close 5pm Friday 15th September 2017.

More information at www.snelandcare.org.au.

For enquiries please call 02 6772 9123.
