

Farm Planning Course

starting soon in your local area

	Armidale	Glen Innes
Day 1	28th August	30th August
Day 2	18th September	20th September
Day 3	9th October	11th October
Day 4	30th October	1st November
Day 5	20th November	22nd November

The 5 Day Farm Planning Course is delivered free of charge to landholders in the Northern Tablelands Local Land Services area including all materials, an aerial image of your farm, morning tea and lunch. Venue will be confirmed on registration.

Take your Farm from where it is now to where it needs to be

- Identify what's holding you back
- Maintain farm viability in the long term
- Maximise profit through improving your natural resource base
- Gain access to technical specialists
- Learn from other farmers

Farm Planning empowers you to:

- Enhance your capacity to utilise **free** resources
- Identify opportunities for property improvements with potential to improve property value
- Understand what drives farm profit and discover opportunities for business improvement
- Focus on factors within your control
- Manage risks proactively
- Build resilience to withstand future climate variability
- Develop a framework for fulfilling your farm's potential

Course places are limited.
