Kentucky Creek Catchment

Landholder Workshop

Do you live in the Kentucky Creek Catchment?
We'd love to hear your experiences and ideas for controlling sediment flows into the Kentucky Creek.

- discuss examples of action already being undertaken
- see examples from further afield
- have your say, help us develop an Action Plan to secure future funding and support for on-ground works
- representatives from Uralla Shire Council, Local Lands Services, Office of Water, and Southern New England Landcare present

RSVP by Wednesday 20th September to
info@stringybarkecological.com.au

Saturday 23rd September

3pm-5pm

Kentucky Hall

Drinks and snacks provided!

Facilitated by: STRINGYBARK ECOLOGICAL PTY LTD

On behalf of: znet Uralla SHIRE
