

Managing Holistically out of the Drought

Are you ready for rain?

What will the next rain bring you?

Will your soil leave home?

What will you change in preparation for the next dry spell?

What are you learning from this one?

Join Dr Judi Earl at URALLA to refine the pasture management skills you'll need on the road to recovery.

9 am - 4 pm
26 - 27 September
& 30 October 2019

Fully subsidised for drought declared farmers in the Walcha, Uralla, Armidale & Guyra districts.

Morning tea & lunch provided. Places limited.

Book your spot at www.sticktickets.com.au/90359
